iCandy Fiber Art

April 2019

It's been a long time since I've sent a newsletter. The reason - I've been finishing my book, **Reimagined Dresdens**, to be released from C & T publishing in July, 2019. I have worked long and hard to make this the definitive Dresden block book with lots of examples, instructions and ideas for everyone. It has been a fabulous journey with lots of learning on my part. The book will be available at local quilt shops, book stores, book signings (see below) and online sellers. We decided to make it a block book rather than a project book so you can create your own, but there are lots of ideas of what to do with the blocks. I hope you will love it. I do.

Newsletter future - What's on my Design Wall?

I am planning to do a monthly newsletter to talk about quilting, what's on the design wall, tips and tricks. I also have a brand new website!!! icandyfiberart.com where classes, tutorials and quilt pictures are shown. I plan to do videos and more tutorials. Let me know if there is something you want to see. My binding tutorial is up now.

I hope you will continue on the fiber journey with me. As always thank you.
