Dresden Bloom - Quilts & More magazine

My pattern, **Dresden Bloom**, is featured in the Spring issue of 'Quilts and More' magazine, a Better Homes & Gardens publication. It features a large, modern single Dresden plate using Alison Glass fabrics. The wedges are 20" long and the entire quilt is 54 x 58". I love the way they "framed" the piece by simply pinning it on the wall and placing the frame in front. Great idea if you have a ledge or shelf. This was a fun quilt to make and easy. I simply extended the cutting lines on the wedge and made each wedge larger. It is a great fat quarter bundle quilt.

I will publish a pattern for this quilt in August 2018 but for now go get the magazine. Image courtesy of and used with permission from Quilts and More™. ©2018 Meredith Corporation. All rights reserved.
